

STATE OF CALIFORNIA
STATE WATER RESOURCES CONTROL BOARD
DIVISION OF WATER RIGHTS

ORDER

APPLICATION 12700 PERMIT 7530 LICENSE 3719

ORDER CORRECTING THE DESCRIPTION
OF THE POINT OF DIVERSION AND ADD
STOCKWATERING, RECREATION AND
FIRE PROTECTION AS INCIDENTAL USES

WHEREAS:

1. License 3719 was issued to H.C. Richardson and filed with the County recorder of Nevada County on April 24, 1953.
2. License 3719 was subsequently assigned to Roscoe J. and Elaine B. Quinlan, Grabe and Carmilla Smith, and William B. Kaplan.
3. An inspection was made on July 14, 1986 and it was determined that the description of the Point of Diversion should be corrected. This correction is needed to agree with the latest USGS Quad Maps. Also stockwatering, recreation, and fire protection should be added to the purpose as incidental use under Section 798, Title 23 of the California Code of Regulations.
4. The State Water Resources Control Board has determined that said correction in the description of the point of diversion will not initiate a new right nor operate to the injury of any other lawful user of the water and that good and sufficient cause has been shown for said correction.

NOW, THEREFORE, IT IS ORDERED THAT:

1. The paragraph describing the point of diversion under License 3719 be described as follows:

North 300 feet and East 350 feet from the W $\frac{1}{4}$ corner of Section 4, T16N, R7E, MDB&M, being within the NW $\frac{1}{4}$ of SW $\frac{1}{4}$ of said Section 4.
2. The paragraph pertaining to the purpose of use under this license be described as follows:

Irrigation, Stockwatering, Recreation and Fire Protection.

License for Diversion and Use of Water

APPLICATION 12700

PERMIT 7530

LICENSE 3719

THIS IS TO CERTIFY, That **H. C. Richardson**
P. O. Box 556
Grass Valley, California

has made proof as of July 22, 1952

(the date of inspection) to the satisfaction of the State Engineer of California of a right to the use of the water of an unnamed stream in Nevada County

tributary to Yuba River

for the purpose of **irrigation use**

under Permit **7530** of the Department of Public Works and that said right to the use of said water has been perfected in accordance with the laws of California, the Rules and Regulations of the Department of Public Works and the terms of the said permit; that the priority of the right herein confirmed dates from **September 15, 1948**; and that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to the amount actually beneficially used for said purposes and shall not exceed **twenty-five (25) acre-feet per annum** to be collected from about October 1 of each year to about May 1 of the succeeding year.

The point of diversion of such water is located north four hundred (400) feet and east two hundred sixty (260) feet from SW corner of NW $\frac{1}{4}$ of Section 4, T 16 N, R 7 E, MDB&M, being within SW $\frac{1}{4}$ of NW $\frac{1}{4}$ of said Section 4.

A description of the lands or the place where such water is put to beneficial use is as follows:

10 acres within NW $\frac{1}{4}$ of NW $\frac{1}{4}$ of Section 4
10 acres within NE $\frac{1}{4}$ of NE $\frac{1}{4}$ of Section 5
20 acres total, all within T 16 N, R 7 E, MDB&M.

All rights and privileges under this license including method of diversion, method of use and quantity of water diverted are subject to the continuing authority of the Department acting through the State Engineer in accordance with law and in the interest of the public welfare to prevent waste, unreasonable use, unreasonable method of use or unreasonable method of diversion of said water.

Reports shall be filed promptly by licensee on appropriate forms which will be provided for the purpose from time to time by the State Engineer.

The right hereby confirmed to the diversion and use of water is restricted to the point or points of diversion herein specified and to the lands or place of use herein described.

This license is granted and licensee accepts all rights herein confirmed subject to the following provisions of the Water Code:

Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the Department.

Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).

Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.

Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.

Section 1629. Every licensee, if he accepts a license does so under the conditions precedent that no value whatsoever in excess of the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions of this division (of the Water Code), or for any rights granted or acquired under the provisions of this division (of the Water Code), in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any licensee or by the holder of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.

Section 1631. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or political subdivision of the State so desiring to purchase and the owner of the works and property can not agree upon the purchase price, the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent domain proceedings.
